

ENGLISH PROFICIENCY CERTIFICATE

asim

It is certified that College No. 438 Cadet Hamdan Ali S/O Amjad Ali was a regular student of Cadet College Mohmand. His medium of instruction was English during F.Sc.

Cadet Colleges are English-medium Institutions and he was taught in English during his two-year stay at College. He has acquired proficiency in spoken and written English. Therefore, I am sure that it will be quite easy for him to undertake higher studies in English as a medium of instruction.

I believe that he is capable of performing at his best in a diverse, multilingual, and multicultural environment."
